רַב - מִלְאָךְ - מִלְאָךְ

An apostolic-prophetic-messianic teaching  
by  
Dr. Gunter Rapp

## **Dedication**

*The teaching course and both books are dedicated first and foremost to the glory of YHWH Echad. Without your salvation and the restoration of my life into chaim life, this School of Angels manual would not have been possible.*

*Special thanks to Kay Tolman and Jeff Jansen for believing in YHWH's calling on my life and overshadowing in prayer and intercession my sonship so that I could mature more and more into Yeshua's glory.*

*Special thanks to Kevin Basconi and Christine Pruitt for rapid help, their prayers, and for Kevin's new training manual about angelic ministry so that I could include the revelations it contains in this school. Angels find everything that has been held up at customs or at post offices!*

*Special thanks also to the members and visitors of Ekklesia Consuming Fire & GFC Cologne, Germany. Your hunger and thirst for the deeper things of YHWH motivated me to search the scriptures, literature and revelations so that I could put together this manual and school. May angels be your fellow servants and friends!*

*A special thanks to Nicole Sametat, for inspiring discussions as well as shared journeys into the supernatural meeting a lot of different angels in the heavens, the court- and council rooms.*

*Special thanks to Manfred and Janet Meyer for proofreading the manuscript, and helpful suggestions for the style and*

*format of this book.*

*Let us all come into maturity and our calling to see awakening and revival in our meetings, in celebrating the moedim of the Lord, on the seven mountains of society, in cities, in regions and in the nations all over the world!*

*Heb. 6: 1-3: "Therefore leaving the principles of the doctrine of the Mashiach, let us go on unto maturity; not laying again the foundation of repentance from dead works, and of faith toward God, of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgement. And this will we do, if God permits."*

*Dr. Gunter Rappl, in the month of Adar II, 5776.  
Manual and book finished August 31, 2016.*

## **Endorsements**

- Prophet Jan Jansen, Global Fire Ministries (Jeff Jansen): "Awesome that you have written this Gunter! That is awesome! You just keep doing what you do!"
- Pastor Kay Tolman, Restoration Gateway Ministries: "I'm very excited to review this material. Congratulations on completing it."
- Christine Pruitt, King of Glory Ministries International (Kevin Basconi): "Praise the Lord for this manual!"
- Seer Justin Abraham, Company of Burning Hearts: "Very well done with your school. You did a very good job pulling all the information together."
- Seer Kathy Madden, Creative Blue Light Beings: "This manual contains many everlasting fruitful blessings for the reader."
- Commentary of a participant of the "School of Angels" in Portland, OR, USA in September 2016: "The September School of Angels by Apostle Dr. Gunter Rappel was astounding. With great revelatory style, Gunter detailed the various types and functions of angels and encouraged us to look for them everywhere."
- A German Messianic leader/publisher: "The author has invested a lot of time to put together all the material about angels of YHWH Echad, which even I don't know in detail. For persons not solid in English language, I can

say, as soon as the book is available in German language, I would directly purchase and read it."

---

- A Personal note from the author: "Shortly before the submission of both books to the publisher my computer started to get problems with the windows and bios system. So through YHWH Echad's mercy and grace it was possible for me to backup everything on my computer, before a computer specialist must delete all files on my harddrive so that my computer could run again with a new installed windows and bios system. I'm so thankful to YHWH Echad that nothing of the material in both books was lost, so the body of the Mashiach can purchase, read and judge it."

## **Introduction**

Are Angels real, do they exist today, are they minister to humans? The answers to these questions were given in the first volume of the series *Angels of the Lord*. Now in this second volume, we go deeper in the understanding of the realm of angels.

During my journey into maturity some years ago, I was led by Ruach HaKodesh to study apocryphal scriptures and I found them to be a fascinating tool when read in the context of the Bible, the translation based on Martin Luther, with its 66 books, which most of you will have in print form, on your computer, or as online versions on your smartphone. 33 other books are mentioned in the OT, but were not included *at Niceae*.

What I realized in writing both volumes of *Angels of the Lord* was that most angels with specific names and functions were not included in most of the "classical Bible versions," but especially in the apocryphal texts.

So working together with the Ruach HaKodesh, I describe especially in the second volume of my book over 300 different angels, compared to the two or three angels normally known by believers, e.g., *Michael, Gabriel* and *Raphael*. Dear reader when you start to read apocryphal texts it is mandatory for you to know the Bible. I recommend Bibles written in the original language (Hebrew and Aramaic) or interlinear Bibles. Second, it is important that your spiritual senses are developed, so that you can hear the voice of YHWH Echad correctly in its different manifestations (words, pictures, smells, tastes, etc.). With these two foundational skills and a well-developed gift of

discernment, you can read apocryphal scriptures and you will find the gold nuggets of the Ruach HaKodesh revelation contained in them.

Dear reader, as I learned to grow into the understanding of the angelic realm, I trust YHWH Echad that you will also grow into the discernment of them. If revelations in this book are new to you, be open to them, test them, and see the fruit of the revelations manifesting in your life for YHWH's glory. As a good tip, when you need angels of the Lord for a specific prayer topic, start to ask YHWH in the name of Yeshua HaMashiach for specialized angels, like angels of healing, comfort or deliverance, to name some as example. If you are really secure in your spiritual discernment, you can ask for angels with a specific function, connected to a name. We as an *Ekklesia* do this, when we go into the *Courts of Heaven*, and I know in my spirit an *Angel of the Lord* by name with a function needed now in this trial there. So do everything step-by-step as we did at the beginning and trust YHWH Echad to lead you deeper and deeper, first in your understanding of Him and then of His angels. So I hope you enjoy this second volume of *Angels of the Lord*, as you did the first book, and apply everything you learn from it by the Ruach HaKodesh for YHWH's glory. "And don't forget, now is the season of the angels of YHWH Echad (Perry Stone, *This Season of Angels*, 2018)."

Shalom! Dr. Gunter Rappl, Apostle Ekklesia Consuming Fire & GFC Cologne, Germany.

## Special angelic forces in heaven, formed by the 12 orders (I)

**Scribe angels/Observers/Recording angels:**  
**"Adahims."** "Adah" in [Heb.] means: "to witness, to testify." The **Adahims** are mentioned in **Ezekiel 9:2-11**. **Adahims watch** the intricate plans and purposes of YHWH **unfold** throughout **history**. They are **archivists, writers, thinkers, artists, poets**; the **Adahims ponder all** they **have seen** and **heard**, and **record** their **thoughts in books/scrolls**. *Adahims* look a little like professors or scholars. Their main job is **to record** from **persons important actions, decisions** and **words**, and **take them back to heaven to place them** in the **books there for YHWH to see**. *Adahims* supposedly have **other abilities** as well. *Adahims* can come to **earth** to **record events** and **prayers** or **bring as gifts scrolls/books** for the **saints**. **The content of the scrolls can differ, e.g., it can be tongues of angels, godly wisdom and knowledge, new songs from heaven** etc.. **Daily**, at the **end of the day**, at 6pm, "*Erev* [Heb.]," (Pers. Rev. GR, link to Matt. 6:34) they **bring scrolls containing the deeds of saints and sinners** (see **book 1** of this series) **to YHWH** in **parallel** to the "**flower baskets**" of the **guardian angels** (see **Hadarims, book 1** of this series). *Adahims* are **scribes in the Court Rooms of Heaven** or **Council Rooms of Heaven**. There are different books (**5 main books**) mentioned in Scripture, which are **opened in the Courts of**

**Heaven** or **Council Rooms of Heaven** when **decisions** about **saints** or **sinners are made**: The *Adahims* write **details** in the **book of remembrance** [your giving of finances and prayers are recorded] (Mal. 3:16, Ex. 19:5, and 1 Pet. 2:9), in **personal books** mentioned in Ps. 40:7 and Ps. 139:16, such as: the (1) **book of works/rewards** [your deeds on earth are recorded] (Rev. 20:12, James 2:17) or the (2) **book of tears** [your words and tears are recorded] (Ps. 56:8, Rom. 8:16-18), in the (3) **book of the living** or **destiny** [your entire destiny is recorded] see Ps. 139:16 and Ps. 69:28: "Let them be blotted out of the **book of the living**, and not be written with the righteous," or the (4) **book of life** [as you received new life in Yeshua, your name was written in] see Rev. 3:5, Deut. 39:20, and Rev. 13:8: "written in the **book of life** of the Lamb slain from the foundation of the world." Additionally *Adahims* write words of YHWH in prophetic scrolls (see Jer. ch. 36), which are brought by *Malachims* or *Quaraims* to earth.

**Yaasriel** ("Hearing the secrets of God," *Chayot Ha Kodesh, Legends of the Jews*), is in **charge of** the **70 heavenly pencils**, the **languages** of the **70 nations**. He is the **angel** that **writes** the **names of YHWH** (**366** are **mentioned in the Bible**, Proph. John Paul Jackson) on **scrolls** or **tablets for angelic clothing**. There is a **great scroll room, archive** or **library** in heaven (Ap. Ron Crawford, Proph. Paul David Harrison), administrated/**overseen** by the angel **Hariel** ("God who comforts," *Chayot Ha Kodesh*, his name is linked to Ps. 23:4, Ps. 94:19). One of the highest **Adahims** and **Karathims** is **Tsephiel** ("Observant of God," *Benai Elohim*). He is **sent to earth to observe all statutes** and **all judgments of YHWH**. The angel **Vretiel** (see **page →**) is the

**highest leader** of the **Adahims**. **Vretiel** is mentioned in *Ascen. Isaiah* 9:21-22: "And whilst I was still speaking with him, behold **one of the angels** (*Vretiel*, [GR]) who stood nigh, **more glorious than the glory** of that angel (**Gabriel**, [GR]), who had raised me up from the world. **Vretiel showed me a book**, but not as a book of this world and he opened it, and the **book was written**, but not as a book of this world. And he (*Vretiel*, [GR]) **gave it to me and I read it**, and lo the **deeds of the children of Israel** were **written therein** (there are **books about nations**, [GR]), and the **deeds of those** whom I **know not**." *Adahims* work "Hand in Hand" with **Malachims** and **Quaraims**. **Adahims** can be *Chayot Ha Kodesh*, *Benai Elohims*, or *Irim*s (Pers. Rev. GR).

## Special angelic forces in heaven, formed by the 12 orders (II)

*Caretakers: "Samayims."* "Samayim" in [Heb.] means: "heavens." As earth-movers and storm-bringers (*elemental spirits of the universe* [Col. 2:8, NIV]), the **Samayim** were granted cataclysmic power in order to care for the created universe. There's very little a *Samayim* can not do, but at the same time, they are limited through YHWH in what they are allowed to do. The **Samayims** show an **affinity for nature, minister to the injured, change the physical appearances of people** if a **verdict of punishment goes out** from the **Courts of Heaven** (for example for Nebuchadnezzar, see Dan. 5:21), and **tend/watch over flocks/groups of Yahavim angels** (Christa Kinde). **Samayims** are **set over the forces of nature, the universe, and the seasons** (see **book 1** of this series). They **often** work together with **Irim**s. **Samayims** are mostly *Hashmallims, Chayot Ha Kodesh, or Erelims* (Pers. Rev. GR). Specific names of **Samayims** are mentioned in *Legends of the Jews* and *Enoch* (for summary of *elemental spirits of the universe* see **pages** → and →, other details are in **book 1**). (Pers. Rev. GR).

**Weavers: "Beghedims."** "Beghed" in [Heb.] means: "cloth, garment or raiment." This "industrious" order of angels **supplies the hosts of heaven with woven goods and paper for scrolls.** **Beghedim** are called upon to **"update" the stitching, i.e. the upgrading of**

**rank in angelic army or signs for specific functions** (Pers. Rev. GR), on an angel's **raiment** whenever something important happens. Their intricate embroidery tells a story. The **Beghedims** have a close working relationship with **Yahavims** and **Adahims** and are easily distinguished from other orders because they have six fingers on each hand and six toes on each foot (Christa Kinde). **Beghedim bring** from the "**wardrobe of heaven**" **spiritual mantles, robes, shoes and other clothes**, as well as **flags or banners**, as **gifts** from **YHWH** to the **saints, to equip them** for their **personal ministry** (Proph. Michael A. Danforth).

Their **highest leader** is **Azbugah** (details see **book 1**). **(T)akriel** ("Garment of YHWH," *Ishim*), is the **2<sup>nd</sup> in rank** of the **Beghedims**. In *The Life of John the Baptist* 3:11-12 equips **Gabriel** the young **John the Baptist** for his **ministry**: "Suddenly, **Gabriel, commander of the angels, came** down to him (Zechariah, [GR]) **from heaven, holding a scapular and a leather belt**, and said, "Zechariah, **take these and put them on your son. YHWH sent them from heaven, this scapular that belonged to Elijah and this belt worn by Elisha.**" Zechariah **took them** from the **angel and prayed over them** before **putting them on his son, attaching them to his clothing** which was **made of camel's hair.**" **Beghedims** are mostly *Ishims* (Pers. Rev. GR).

**Seal angels: "Chothamims."** "**Chotham**" in [Heb.] means: "a signet ring, to seal, make an end, mark, seal up." **Chothamims** are responsible for **sealing scrolls with decisions/verdicts out of the Courts of Heaven or Council Rooms of Heaven or sealing prophetic scrolls** (Pers. Rev. GR). Also, after

assignment by YHWH, they **seal saints on their foreheads** (see Rev. **7:3**, Eph. 1:13) for **spiritual protection**. Their leader is **Anaphiel** (see [page →](#)), the **3<sup>rd</sup> in rank** over them is **Soterasiel** (see [page →](#)). They work together with **Adahims, Malachims** and **Quaraims**. **Chothamims** are mostly *Chayot Ha Kodesh* or *Malachims* (Pers. Rev. GR).

**The four highest Archangels and their special power over fallen angels/demons:** **Uriel:** Marine spirits/demons, Error, and Artosael; **Michael:** Ornias, Ruaz; **Gabriel:** Barsafael; **Raphael:** Asmodeus, Obizuth (*The Testament of Solomon*). (Pers. Rev. GR).
