If you are reading this, I am dead.

Calvin Porcus has challenged me to a fight. This is a fight I cannot win. Calvin Porcus has [sworn](#) to hammer me into the ground. Here are the last wishes of an [innocent](#) thirteen-year-old boy - who [deserved](#) to live.

The Last Will and Testament of Morris Mills

- Tell my family that I love them.
- If Holly Adams is still alive, tell her that I am very sorry for telling Calvin it was her idea about his name. That was wrong and [cowardly](#).
- Let Holly Adams have any of my fossils or books or anything that she wants from my bedroom as an [apology](#). If she is also dead, then give them to my friend Harold.
- My little sister, Sukie Mills, can have my savings of £376.56 to put towards her university education, but not to spend on [dolls](#). Dolls scare me.
