Vorbemerkung

Diese Sammlung enthält Vortragsstücke unterschiedlichen Schwierigkeits-grades aus drei Jahrhunderten (leicht bis mittelschwer), darunter eine ganze Reihe zauberhafter, kaum bekannter Miniaturen, die insgesamt für Unterricht und Konzert den Anspruch gehobener Gitarrenliteratur erheben dürfen.

Offensichtliche Druckfehler in den Erst- und Frühausgaben jener Werke, die als Quellen für die vorliegende Edition dienten, wurden ohne besonderen Verweis korrigiert, wie auch die Orthografie der heutigen Schreibweise stillschweigend angeglichen wurde.

Der Herausgeber dankt an dieser Stelle der *Robert Spencer Collection at the Royal Academy of Music Library, London*, für die Einsicht in die Handschriften der Werke von José Ferrer y Esteve, die vorliegender Ausgabe als Quelle dienten.

Editorial Note

This collection contains pieces of varying degrees of difficulty (easy to moderate) from three centuries of music. It includes several enchanting and little-known miniatures which, as a collection, should be a welcome addition to the advanced guitar repertoire, both for tuition purposes and concert performance.

Any obvious printing errors in the original and early editions of those works on which this edition is based have been corrected without special comment; spellings have also been adapted to conform with modern conventions.

The editor is grateful to the *Robert Spencer Collection at the Royal Academy of Music Library, London*, for granting access to the manuscript scores of works by José Ferrer y Esteve used in the preparation of the present edition.
