Running Red Lights

I put panties inside my coochie, force an orgasm and sell the panties in a zip lock baggy, cum filled panties. We're traveling across the states selling XXX movies to truckers making a killing off the Internet and on the road. We're also doing dolls shows, selling antique dolls, trolls, antiques, Confederate, Civil war items, and antique toys. Stony is in charge of the money, pictures, exploiting, masturbating, and owning me!

Russian Watch Chapter 3: Running Red Lights

Stony abuses Micky, stalks me in my home and jerks his penis off, but I need his knowledge to I get this house livable and up to code. I completed and paid everything the courts ordered now I'm going to meet my probation officer. I'll be checking in and paying him monthly for five years. Steve was spending every moment with me in his county car, calling me on the county cell phone and emailing me on the county computer. Stony has a lot of ideas on how to make money with his perversions.

I put panties inside my coochie, force an orgasm and sell the panties in a zip lock baggy, cum filled panties. I hate the perversion, the porn and a three hundred pound masturbating troll I can't control. Steve loves the perversion, pictures and movies, just like a man. Stony purchased three lots of porcelain dolls for \$3,600.00 per lot because there were dolls I wanted in each lot like, Cracker Jack, one of a kind twin babies, Red Riding Hood, German By Low babies, Tony, Sweet Sue etc.. I gave every little girl I met a doll for their birthday and Christmas.

When I was little I carried around a headless doll a man in the fire department where dad worked gave me. I loved
