Welcome

to EZ Cheats, Cheats Unlimited's collection of the greatest cheats, tips, secrets and unlocks for Xbox 360 and Xbox 4th Edition!

There's an old saying, which goes a little something like this: "if at first you don't succeed, cheat". It's a helpful little adage, one that has helped many an athlete to a gold medal in the past (before they were forced to give it back) and something that has assisted in the completion of difficult video games for many years too.

While some players would be content to keep mashing away at the buttons, having their backside kicked by thugs, zombies, demons or animals to the point where controllers, televisions and sometimes even limbs were broken, the more crafty would call upon that fateful reserve - the cheat code. With a few button presses, or maybe a handy or humorous password, those who had caused us to curse to the high heavens would instead be left trailing in our wake.

As time went on, the world of cheating changed too. For some, cheating and cheat codes were no longer a crutch for getting through a game, rather a reward for finishing them off their own steam. A second play-through with cheats enabled made for a far more exciting turn of events. In some instances, cheats stopped being about actual "cheating" and simply became about changing the environment for a new experience. You might be adding invisible walls to a football pitch or simply giving big heads to everybody in the surrounding area.

Cheat Codes themselves were joined by the likes of tips, handy pieces of advice to help you through a

certain section, or secrets and unlocks - additional features, characters and other extras that can be earned by performing certain tasks within a game.

The arrival of the HD consoles even brought a new feature to the world of gaming, visual awards that could be shown off to other gamers. Microsoft set the ball rolling with their Achievements system for Xbox 360, while Sony followed suit with Trophies. With players now able to provide proof of their skills to others, the desire for help in completing the set tasks became even greater. You couldn't cheat them, but you could certainly gain assistance in earning them. Secret Trophies and Achievements, the objectives for which remained hidden, left players hungrily searching for what they needed to do in order to get that elusive mark on their gamer-cards.

One thing is for sure, while the likes of cheats and tips themselves have gone through a number of changes over the years, there's something that has remained constant, which is that Cheats Unlimited has been there to provide them to the general public. Through phone lines, fax machines, Web sites, WAP sites and more, the Cheats Unlimited brand, fronted by the glamorous and gorgeous Cheatemistress, has been there for over 5 million gamers, when they needed us most.

When bosses got the better of you, Cheats Unlimited was there. If your weapons were always running out of ammo, Cheat Unlimited was there. Even if the weather took a turn for the worse, and you just wanted a spot of extra fun from your games, Cheats Unlimited was there for you when the rain started to pour. And we're still here for you, 24 hours a day and 7 days a week, with this Cheat Book that you're reading right now a testament to the hard work we've put in for you, the gamers, over these past twelve years.

This book brings together an amazing selection of cheat codes, tips, unlockables and secrets for Xbox 360 and Xbox consoles. Whether you want to find out how to spawn specific vehicles, learn how to open up harder difficulty settings, or discover sneaky ways to earn additional in-game currency, we have the answers. Where once you were lost, now you will be found, all courtesy of the Cheat Mistress and Cheats Unlimited.

BioShock

Sander Cohen - Secret Achievements

While most of the secret achievements for the game are related to completing boss fights and finishing levels, there are two at the bottom of the list that may remain a mystery for many. Here's how to get them.

Upon completing your main goal in Fort Frolic, to finish Sander Cohen's masterpiece, Cohen will reveal himself to you. As tempting as it may be, do not kill him at this point. Instead, let him live and move on with the game.

A little while later in the game, you'll be searching an apartment area, where you need to find a code to gain access to an elevator. As you face this elevator, over to the right of it will be Sander Cohen's apartment. If you killed him earlier, it will be locked, but if you let him live, it will be open.

Enter here, and you'll find two Splicers dancing. Cohen will begin talking to you via your radio. Wait until he's finished, and then kill the dancing Splicers. This will bring an angry Cohen out to confront you. This time, it's okay to kill him. When Cohen is dead, take a picture of his dead body to earn the first of the secret achievements, entitled "Irony". Following this, head up the stairs in the apartment to find Cohen's room (which contains a "Power to the People" weapon upgrade station, needed for another regular achievement). Upon entering the room, you'll receive another secret achievement, called "Found Cohen's Room". Both secret achievements are worth 10 points.

Audio Diaries - The Important 5

If you want to earn the achievement for finding all the audio diaries, you'll need to work hard, as there are 122 in total. While you can head back to certain areas and find ones you've missed during the course of the game, there are five very important diaries that must be collected before you leave the area that they're in, as you won't get another chance to do so.

The first two you must grab are called "New Year's Eve Alone" and "Hole in the Bathroom Wall". These have to be collected before you go through the bulkhead to the Medical Pavilion at the start of the game, and are found on top of a table on the bottom floor of the Kashmir Restaurant, and in the Dames bathroom of that same restaurant.

The other three diaries are found after you've opened up Andrew Ryan's office later in the game. Take the first once, entitled "The Vita Chamber" from close by the Vita Chamber in the room. Then, after heading through a crawlspace,

you'll find a small room filled with newspaper clippings, and a familiar message on the wall. In here, you'll find audio diaries entitled "Mind Control Test", and "Baby Status". Grab them all (they're in fairly clear view), as you won't get another chance without having to start the game again.

Call Of Duty 4: Modern Warfare

Secrets

By progressing through the game, you'll be able to unlock a whole wealth of extras, but the most important of these come when you reach the end.

Arcade Mode and Cheat Menu

Successfully complete the game once, and you'll unlock both Arcade Mode and the Cheat Menu for the game. The Cheat Menu can be found within the options menu if you pause during game play.

CoD Noir

To unlock the Cheats for the Cheat Menu, you have to collect set numbers of Enemy Intel Pieces during the course of the game. For the CoD Noir cheat, find 2 pieces of Enemy Intel in the game. This will allow you to play the game in black and white when the Cheat Menu has been unlocked.

Photo Negative

For Photo-Negative mode, you must collect 4 pieces of Enemy Intel. After activating this from the Cheat Menu, the colours of the game will be inverted, just like a photo negative.

Super Contrast

To get Super Contrast mode, you have to collect 6 pieces of Enemy Intel. This mode changes the contrast to make the dark sections much darker and the light sections much lighter.

Ragtime Warfare

For the Ragtime Warfare mode, you must collect 8 pieces of Enemy Intel. With this enabled, the visuals and sound will take on an old, silent movie style.

Cluster Bombs

Next, we have the much more exciting Cluster Bombs cheat, which can be unlocked by collecting 10 pieces of Enemy Intel. With this enabled, each time you throw one frag grenade, the explosion will carry the power of five of them.

A Bad Year

To unlock the Bad Year cheat, you have to collect 15 pieces of Enemy Intel. After this has been activated, killing enemies will cause them to explode into a bunch of old tyres.

Slow Motion

For Slow Motion mode, you must collect 20 pieces of Enemy Intel. Once you have this enabled, game play will slow down by about 40%.

Infinite Ammo

And to get Infinite Ammo, you need to collect 30 pieces of Enemy Intel. Weapons that benefit from infinite ammo will

no longer have to be reloaded. However, this cheat will not apply to your RPGs, C4 explosives or Claymore mines.

Secret Mission

Finally, there's one extra secret for those that are patient, the secret Air Force One mission; Mile High Club. Upon completing the game, watch the credits all the way through to the very end. Once they've finished, you'll start a new mission, set on a plane that resembles the US President's Air Force One jumbo jet, in which you have to take down the enemies on board and save the VIP in under 2 minutes. If you've skipped the credits, you don't get the chance to play on this mission.

Call Of Duty: Modern Warfare 2

Chapter Completion Awards

The Chapter Completion awards are fairly self-explanatory. Complete chapters 1-9 in the game, and you'll receive that chapter's completion award, and get 10 points. Completing chapter 10 gives you the Game Completion award, and is also worth 10 points.

Ripple TV

On Chapter 2, find the Ripple TV for 10 points.

Static TV

On Chapter 4, successfully find the Static TV for 10 points.

Bird Awards

On each Chapter, there are 2 Bird awards to be won. If you can find one dead bird on a Chapter, you'll get the Bronze Bird award, worth 10 points. By getting all six dead birds on

a chapter, you'll earn 20 points. Managing to find all 60 of the dead birds gets you the Golden Bird award, worth 50 points.

Melee Master Awards

There are three melee master awards that can be won too. The bronze melee master award is given out for completing one level using only melee weapons, while the silver melee master award is received when you complete three levels using only melee weapons. Both awards are worth 20 points each. You can earn the gold melee master award by completing the whole game using only melee weapons. This is worth 50 points.

Chief Investigator Award

By finding every single piece of evidence in the game, you'll get the Chief Investigator award, worth 20 points.

Melee Mayhem Award

If you find, equip and use every single melee weapon in the game, you'll get the Melee Mayhem award, which earns you 50 points.

Fire-Arm Freedom Award

And if you find all the firearms in the game, you'll get the Fire-Arm Freedom award, which is worth 20 points.

SKX Shooting Awards

Whether or not you shoot SKX in the game, you'll get an award. Shooting him earns you the Revenge Award, while not shooting him gives you the Compassion Award. Both of these are worth 50 points.

Metal Piece Awards

Finally, we have the metal piece awards. Finding 9 pieces earns you the First Propaganda Report, 20 pieces gets you the Second Propaganda Report and the Internal Affairs Report, 29 pieces will get you the Third Propaganda Report and the Duo Report, while all 30 pieces gets you the Fourth Propaganda report. Each of these reports is worth 20 points each.

Hint: Orb Locator

Press UP on the D-Pad to briefly get a glimpse at the nearby Orbs on your mini-map in the lower left corner. This "Orb-dar" takes a few seconds to recharge before each use.

Hint: Orb Locator Exploit

Remember there is a built-in orb locator for all agents in Crackdown 2. All you do is push UP on the D-Pad.

If you want a really good view of where the Orbs are, pause the game. Then unpause the game and immediately push UP on the D-Pad.

The onscreen map briefly has a very nice aerial view when coming back from the pause screen so the Orb detector will pick up more locations.

Hint: Easy Vehicle Stunt Rings

This requires 2 people in an online Co-Op match. One person must get a helicopter from the Agency Tower and the other must get a vehicle (Agency Supercar or Cruiser. Both players should meet at the stunt ring. Equip Mag Grenades and stick one to the bottom of the helicopter and one to the roof of the car. Use the helicopter to fly the car through a stunt ring. Be careful: The mag grenades have a timer on them and will eventually explode.

Hint: Easy Renegade Agility Orbs

Get a helicopter from the Agency Tower and fly high above the Orb (Low enough that you can survive, unless you have the glide suit and can slow down). Jump out and drop down onto the Orb and it will not start moving until you are very close. If you have enough speed you should fly right into it.

Hint: Smokestack Orbing

There are orbs on smokestacks that are an extreme pain to get. These can be obtained easily with the help of a helicopter. Get your agility up to level 5 (for the wingsuit) and make sure the Agency Tower is unlocked. Climb the tower to get to a helicopter. Approach smokestacks slowly and hover just above them (your landing gear may deploy but that's ok).

Hint: Helicopter Orb Hunting

Grab a helicopter from Agency Island (you'll need the Wingsuit/Max Agility to reach the heli pad) and fly over the city. Using the boost function (click the LEFT STICK) to make the minimap/radar zoom out. Press UP on the D-Pad quickly to see a greater for easy Orb detection. ALL Orbs can be seen from the helicopter.

Hint: Reach Helicopter Platform with Low Agility

1. Store a "long" vehicle at a drop point, like a ramp truck.
2. Extract to the agency tower building and equip mag grenades and choose the long vehicle.
3. Pull the door off of your vehicle and stick a grenade to the front of your vehicle and the door. If you cant get the door off blow up a grenade on it.
4. Pick up the door, look towards the helipad (to the east of your extraction point) and jump to the platform.
5. Run down the path to the heli pad (making sure that your vehicle is behind you), drop your door and blow it up.
6. Jump and stick a mag grenade to highest part of the bottom of the helipad and the front of your vehicle. This will cause it to hang in the air. Stick a mag grenade to the back of your vehicle and one to the ground. This will cause your vehicle to be pulled to the middle of both points and you will be able to jump onto the vehicle and make your way up to the helipad.

Easter Egg: Toilet

You must have a level 5 in agility before you attempt this. Get a helicopter and fly around Agency Tower until you see a big tube-like thing with no top. Fly over it and get out of your helicopter. Now, use your Wingsuit to fly down the tube. At the bottom is a toilet full of rubber ducks.
