About the Author

Vaskaran Sarcar, ME (Software Engineering), MCA, B Sc. (Math) is a Senior Software Engineer at Hewlett Packard India Software Operation Pvt. Ltd. He has been working in the HP India PPS R&D Hub since August 2009. He is an alumnus of prestigious institutions like Jadavpur University, Kolkata, WB, Vidyasagar University, Midnapore, WB and Presidency College, Kolkata, WB, Jodhpur Park Boys School, Kolkata, WB and Ramakrishna Mission Vidyalaya, Narendrapur, Kolkata, WB. He is also the author of the following books: *Design Patterns in C#*, *Operating System: Computer Science Interview Series*, *C# Basics: Test Your Skill*, and *Easy Manifestation*. He devoted his early years (2005–2007) to teaching in various engineering colleges. Later he received the MHRD-GATE Scholarship (India). Reading and learning new things are passions for him. You can reach him at: vaskaran@rediffmail.com.

Acknowledgments

I offer sincere thanks to my family, my friends, my great teachers, my publisher and to everyone who supported this project directly or indirectly. Though it is my book, I believe that it was only with the help of these extraordinary people that I was able to complete this work. Again, thanks to those who helped me to fulfill my desire to help people.
