## About the Book

This is the part of *Sand* that comes directly after part 1 and just before part 3. The full novel will be available in January of 2014. That's the version I would get.

## About the Author

Hugh Howey spent eight years living on boats and working as a yacht captain for the rich and famous. It wasn't until the love of his life carried him away from these vagabond ways that he began to pursue literary adventures, rather than literal ones.

Hugh wrote and self-published his first adult novel, *Wool*, which won rave reviews and praise from readers. *Shift* is its prequel.

Hugh lives in Jupiter, Florida, with his wife Amber and their dog Bella.
