About the Book

*“Look at that cat!” said Prissy Pinkerton. “Why is it so fat?”
Honestly, I had never been so insulted in my life . . .*

Blossom, a plump and contented cat, is horrified when six-year-old Prissy comes to stay with ‘her’ family. Suddenly there is nowhere she can go and doze without being disturbed, no place she can hide from Prissy. And when Prissy pulls her tail (no-one has done that since she was a little kitten!), Blossom makes up her mind: Prissy must go!

All she needs is a plan . . .

The first title in a series of delightful tales about a group of special cats, friends who tell each other all their news - the Cats of Cuckoo Square.
