

Michael Boy

Poems 1/3

Michael Boy works as a writer and conceptual artist. He explores the feelings and peculiarities of special people and tries to capture moments through poetry. An approach and a confrontation.

These poems are dedicated to Birgit, Max and Leo.

96 crazy short poems from the main volume "Poems".

Incomprehensible poems by and about special people. In search of encounters, self-discovery and self-help as a mixture of words. An affair of the heart.
