4 Fuerteventura - An overview

Second edition 2019 - Up-to-date, detailed information, important useful insider tips and all highlights.

The **Fuerteventura travel guide... a different kind of guide!** takes you next to endlessly long, snow-white Caribbean beaches to the attractions of the multifaceted volcanic island.

In the north, from the largest and liveliest town [**Corralejo**](#), explore the beautiful dunes, the small nature protected **Isla Los Lobos**, where the former lighthouse keeper runs a small restaurant, and enjoy the beautiful **beaches** of the **Playas Grandes**, which are especially suitable for water sports in the sections **Flag Beach**, **Playa Bajo Negro**, **Playa Moro** and **Playa Poris**.

In the northwest, visit the fishing village of [**El Cotillo**](#), [**which**](#) protects the coast from intruders with its centuries-old defensive tower, the **Castillo de Testón**.

Look from the coast to the long beaches of **Playa del Castillo**, where kite- and bodysurfers meet.

Make a detour to the **lighthouse Faro de Tostón** with the **fishing museum** and don't miss the yet unknown **popcorn beach**.

Visit the historic town of [**La Oliva**](#), whose monuments include the parish church of **Nuestra Señora de la Candelaria**, the **Ermita de Puerto Rico**, the impressive **Casa del Coroneles**, the dilapidated **Casa del Inglés** and the former **La Cilla** granary, dating back to the 17th century. Art lovers can admire the works of well over 80 artists in the spacious **Casa Mané**.

In Tindaya, in the **Casa Alta de Tindaya**, marvel at the unique rock carvings of the Guanches, the native inhabitants of the Canary Islands.

Discover the **monument to the poet Unamuno** and taste the goat's cheese at the **Quesos de Tindaya** cheese dairy.

Immerse yourself in the traditional rural life of the island at the **Ecomuseo de La Alcogida** open-air museum in **Tefía** and acquire genuine local handicrafts.

In the little-visited village of **Tetir**, next to the listed **parish church of Santo Domingo de Guzman**, you will find the **Gofio Museum**, run by the last active Gofio miller in the world.

In the island capital **Puerto del Rosario**, Fuerteventura's largest shopping centre, **Las Rotondas**, awaits you by offering extensive shopping in specialist shops.

Explore the centre with the **Nuestra Señora del Rosario** parish church, the **Casa Museo Unamuno museum**, buy fresh local produce in the **Mercado Municipal** or the **Mercado Agrario de Fuerteventura**.

Treat yourself to a sunbath at the city beach **Playa Chica** or at the main beach **Playa Blanca**.

In the large popular holiday resort **Caleta de Fustes** you can enjoy the view of the marina from the gently sloping sandy beach, **Playa de Castillo**.

Along the long promenade, past historic **lime kilns**, you reach the shopping centre **Centro Comercial Atlantico**.

In addition, the popular **African market** offers further shopping opportunities.

Explore the **Salinas del Carmen**, the historic saltworks with the **Museo de La Sal**, where salt was still extracted in the 1980s for the fish factory in Puerto del Rosario.
