What is a Challenge?

Basically it is a photo contest. Participants entered this challenge with up to five pictures. These were tagged with #ipb_bridges on Instagram and had to be submitted on the InstaChallenge.com website, where the challenge was managed. The invited jury had to vote (anonymously) and the result is what you have in your hands now. :-)

For more information please visit www.InstaChallenge.com.

What is Instagram?

Instagram is an easy to use iPhone App for shooting and sharing images with the Instagram community, virtually a mix of Twitter and Facebook for photos.

The IG community can "like" and comment on the pictures. You can follow persons whose images you like. Their images appear together with yours in your own timeline.

Also noteworthy is the rapid growth of Instagram: after about 10 weeks after the launch the community had grown to 1 million users. Meanwhile, there are over 12 million. (November 2011.)

The Photo Challenge on Instagram, which led to this book, started June, 26th and ended July, 17th 2011. 386 pictures have been submitted by 121 participants.

The Jury was:

@agentkramer, @goldie77, @herrkrueger, @kfsch, @king_fisher and @thomas_k.

All jury members voted with 0 to 3 points per picture, so there was a maximum of 18 points. The pictures in this book are printed in random order, except those with at least 11 points which also have a page on their own. Pictures with less than 8 points are not in this book.
