Arnold Wohler

GITARRENLIEDER

Dieser Band enthält Lieder mit englischen und deutschen Texten
mit jeweils ausgearbeiteten Gitarrenbegleitungen. Diese sind sowohl
in Notenschrift als auch in Tabulaturform dargestellt und mit Akkord-Symbolen versehen.
Die Gitarrenbegleitung ist den Liedern angepasst:
Manche Lieder sind für die moderne Plektrumgitarre,
manche für die klassische Anzupftechnik der Konzertgitarre eingrichtet.

Inhalt:

I count the stars all night
The castle in old Scotland
What I want to see
Where will the ducks go?
Glad to see you again
Lovesong
Look at the star!
This is a brigjht day!
Wunderland
Das alte Lied vom Leid der Erde
Lieder für die Katze
Wenn die Katze schnurrt
Kätzelein!
Helge Schneider hatte recht
Matratzen kratzen Katzen gern
Schläft das Kätzchen fest
Traurig guckt das Kätzelein
Kätzelein spielt fein
The mountain's ghost
We are the lonley creature
Lost in space

I count the stars all night
