

A photograph of two women standing side-by-side, wearing fetish-style clothing. The woman on the left is wearing a black corset with white lace-up details and a black skirt. The woman on the right is wearing a black corset with black lace-up details and a black skirt. Both women are wearing black fishnet stockings with black lace bands at the top and black high-heeled boots with red laces. They are standing on a light-colored, patterned surface.

Prolog

Sex is one of the most important things in life. I love sex. Many women, men and couples live their desire freely. They indulge their sexual appetites.

I tell the stories of people who open about their sexuality and explore new paths. Here boundaries are often exceeded.

My sex life is exciting and varied. I like to go to swinger clubs or organizing private sex parties. So I know a lot of interesting people.

My readers should participate in these adventures Sex. This book contains texts with explicit sexual content and is not suitable for persons under 18 years.

Is not it a dream for every woman and every man live out his sexual fantasies? For me, sex is an important part of my life. Not a day passes when I do not think of Intimacy.

I am a nasty MILF, I was born in Germany and living in Berlin. My sexuality I want as long as possible to live out intensely. I was born in 1968 and have experienced a lot, but I am still far from the opinion that it is enough.

To give my sex life a permanent Kick I like to try out new things. For years, I belong to the swinging scene, where I experienced the hottest stuff. Also I'm learning there permanently interesting women and men go.

I am not a professional writer. Many of them tell me their stories that I like to pass on to you. My stories are done
