## About the Book

**Treat yourself to some extra seasonal cheer with this exclusive, straight-to-digital short story from the *Sunday Times* No. 1 Bestseller.**

When Daisy travels to Scotland to confront notorious author Rory McAllan, little does she know that within hours she'll be snowed in with him. But surely she's not going to have to spend her precious New Year's Eve with him too?

Put the champagne on ice, get the fireworks ready and step into the wonderfully warm, witty and romantic world of Katie Fforde.

**Plus the first chance to read the opening chapter of Katie's new novel, *The Perfect Match*, out in March.**

## About the Author

'I live in the beautiful Cotswold countryside with my family, and I'm a true country girl at heart.

I first started writing when my mother gave me a writing kit for Christmas, and once I started I just couldn't stop. *Living Dangerously* was my first novel and since then, I haven't looked back.

Ideas for books are everywhere, and I'm constantly inspired by the people and places around me. From watching TV (yes, it is research) to overhearing conversations, I love how my writing gives me the chance to taste other people's lives and try all the jobs I've never had.

Each of my books explores a different profession or background and my research has helped me bring these to life. I've been a porter in an auction house, tried my hand at pottery, refurbished furniture, delved behind the scenes of a dating website, and I've even been on a Ray Mears survival course.

I love being a writer; to me there isn't a more satisfying and pleasing thing to do. I particularly enjoy writing love stories. I believe falling in love is the best thing in the world, and I want all my characters to experience it, and my readers to share their stories.'
