Right Honorable, and worthy honoured Lord, as in my Travels, I was entertained, welcomed, and relieved by many Honourable Lords, Worshipful Knights, Esquires, Gentlemen, and others both in England and Scotland. So now your Lordship's inclination hath incited, or invited my poor muse to shelter herself under the shadow of your honorable patronage, not that there is any worth at all in my sterile invention, but in all humility I acknowledge that it is only your Lordship's acceptance, that is able to make this nothing, something, and withal engage me ever.

Your Honors,  
In all observance,  
JOHN TAYLOR.
