Ryuta Amazume präsentiert

Kaoru hat ein ausschweifendes Sexualleben – allerdings nur in seinen Fantasien! Diese umzusetzen erscheint ja auch utopisch, wenn man zu SM und derlei Spielchen neigt. Und so staunt er nicht schlecht, als ausgerechnet die gleichaltrige Nachbarstochter **Nana** sich anschickt, seine geheimsten Wünsche zu erfüllen.

MARQUIS TURNS 30! CHEERS!

This issue is the first of our four anniversary issues, as MARQUIS is celebrating its 30th anniversary!

I am somewhat amazed and quite proud to be here for this anniversary. I've been doing **MARQUIS** for five years now, and this is my twelfth issue. Who would have thought? If I'm honest, I didn't.

But even more important than the magazines, the fashion, the women and the fetish are the people I've had the pleasure of meeting and the conversations we've had. We all have one goal: we want to live our lives, we want to be allowed to be who we are! We don't want to judge others because we don't want to be judged ourselves. We want to enjoy life, explore our senses and our passions and discover new things. All this is only possible in a free and peaceful world!

In this issue, you will find the first part of the history of MARQUIS, written by Peter W. Czernich.

What happened back then is incredibly exciting! We also have **Sophie Elodie**, a favourite and one of the most authentic fetish models currently available, not only on the cover, but also in a large section in the magazine!

Because we already wanted to report on the Avantgardista in the last issue, we unfortunately had to cut **Daniel Harms'** spread short. But we are now making up for what you were denied back then! Also, of course, the second part of the **James Bond** shoot!

A few words about this: I made a mistake here during the final check of MARQUIS 79. We forgot to add the credits! For me, this is the ultimate disaster, and you can't imagine how embarrassed I feel when something like this happens! The MARQUIS reflects the creativity of the scene and brings great people together to create something great. So, of course, it's important to name the people involved. This time we won't forget the credits!

For this great shoot, I would like to thank Jenny von Leqlé for the outfits, Charlotte Fleck for the great make-up and the good atmosphere on set, Nicole, my assistant, for the help wherever it was needed, Peter W. Czernich for his great work and his great eye, Frank Becker for the photos, the location and the friendship that develops, and the great models Elodie, Fuxteufelswild and Jinx Bewitched! Thanks also to the great hotel where we were allowed to shoot!

And once again, a foreword ends with THANK YOU!

And now: Curtain up for 30 years of MARQUIS!

Yours,

Andreas Reichardt
